

Water bowls

Water bowls

The water bowl is a beautiful addition to almost any outdoor space. It will create a pleasant, tranquil environment.

Material steel

With its modern design, the steel water bowl will look splendid in any garden. Adding this water decoration to your garden will make it a place where you can really relax and unwind.

SPECIFICATIONS

- 5-year warranty.
- Steel water bowls are hard-wearing, weatherproof, low-maintenance and durable.
- Products are delivered without rust. The steel rusting process takes about 4-5 months, depending on weather conditions.

KEY POINTS TO NOTE

- Products should be unpacked immediately upon receipt to release any moisture trapped inside the packaging. If the product is left in its packaging, it may develop uneven rust patches.
- Our water features should be installed on a firm, level surface.
- The weathering process may cause rust run-off.
- The guarantee expires if you drill or grind in a way that is not specified.
- The water used in this product should have a neutral pH value (7) to protect the look and quality of the material.
- Clean annually by spraying coarse dirt off the product with tap water.

OPTIONAL

- Take a look at our stands – they will show off your water bowl beautifully!

Installation

1. Provide a level, solid surface. If not done carefully, this can cause tensions which can result in damage to the product.
2. Place your water bowl in the desired position.
3. Make sure the water bowl is level for the best result, when filled with water.
4. **Tip!** Use aquatic plants in the water bowl for an extra connection to the garden surrounding it.
