

SC CORTEN

WOOD STORAGE

WOOD STORAGE

Unusually for a wood store, our wood storage shelf has an open design. This improves the drying process by allowing air to circulate around the wood. Legs raise the wood store from the ground, giving it a light, airy look.

Stylish and practical. This wood storage turns practical wood storage into a stylish garden design element. It can be ordered in various sizes and is heat resistant. It can be placed directly next to your outdoor fireplace, making evenings around the fire even more relaxed and cosy.

CORTEN STEEL

The warm tone of corten steel perfectly complements the natural look of stacked wood. The is made of corten steel, which develops an orange-brown patina over time. Corten steel is a metal alloy made by adding copper, phosphorus, silicon, nickel and chromium to iron. When exposed to air, the material forms a protective layer of rust. This natural coating prevents further corrosion.

SPECIFICATIONS

- 5-year guarantee.
- Corten steel is very robust, hard-wearing, weatherproof, low-maintenance and durable.
- Reinforced to prevent warping.
- Includes mounting holes.

KEY POINTS TO NOTE

- Products should be unpacked immediately upon receipt to release any moisture trapped inside the packaging. If the product is left in its packaging, it may develop patches of uneven discolouration.
- Always place the wood store on a flat, stable surface.
- We advise securing the wood store to a wall to ensure stability.
- Products are delivered without rust. The corten steel rusting process takes about 4–5 months, depending on weather conditions. You can speed up this process by using our rust accelerator.
- The rust can be fixed by applying Owatrol. This is a penetrating rust inhibitor that forms a protective anti-rust coating. Owatrol protects the product and stops the rust from flaking off.
- We do not recommend using corten steel within 2 km of a coastline.
- The weathering process may cause rust run-off.
- The guarantee is void if the product is drilled, sanded or scoured in a manner other than prescribed.
